ABOUT THE MINI BRUTE

The Mini Brute is designed for the farm, job shop, or detail specialist. A stable stance and a compact low-profile enables the Mini-Brute to be easily transported. Powered by 120VAC & diesel fuel, this efficient hot water pressure washer quickly heats the water above 140° to speed cleaning of oil, grease, and other contaminants from tough surfaces like restaurant docks, commercial parking lots, municipal docks, barns & stalls, and other environments that need the power of hot water. This machine is powerful, efficient, and reliable!
