ABOUT THE PowerShot 3228

The SIMPSON® PowerShot 3228 has been described by paint professionals as the perfect pressure washer for paint preparation. Also for contractors who specialize in deck cleaning, wood restoration and general clean-up. Very powerful, yet extremely compact and easy to transport, set-up and load. But don't let its size fool you, the PowerShot 3228 is designed to meet the rigorous demands of the Cleaning Professional.
